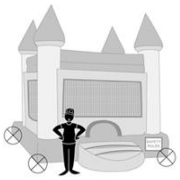
Inflatable Rental Safety Rules



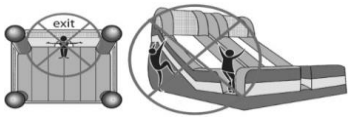
DO NOT enter inflatable unless attendant is on duty! Follow attendant or operator instructions at all times.

Remove all sharp and pointed objects before entering. Remove shoes, eyeglasses, and jewelry before entering. No food, gum, drinks, pets, or sprays inside unit.

No tumbling, flipping, wrestling, chasing, or piling on others. No rough play inside inflatable units.

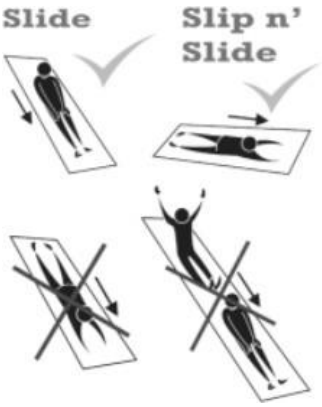
No unevenly matched users. ONLY Adults with Adults and Children with Children.

DO NOT enter inflatable if you are pregnant or have any physical problems.



DO NOT play near the entrance or exit. Do not jump against, climb, or play near the sides or walls.

If weather conditions get bad, or if the inflatable begins to deflate, stop playing, remain calm, and carefully exit the inflatable. **DO NOT** use inflatables during inclement weather (rain, hail, or when winds exceed 20mph).



Only one rider sliding at a time.

Inflatable Slides: correct sliding method is seated, feet in front of you. Do Not Slide headfirst.

Slip-n-Slides: correct sliding method is on your stomach, hands in front of you.

If you're inflatable rental comes with a generator, it's the customer's responsibility to monitor the fuel level. The generator will come with a full tank of regular grade gasoline. However, we highly recommend it be checked at least every hour in between play. When monitoring the fuel level have all participants to exit the inflatable. Shut off blower(s) and check the fuel level of the generator. If fuel is needed, fill the generator with regular grade gasoline (customer expense).

As a renter your personal supervision is absolutely required as the renter of these inflatable units and any other rented equipment. The safety of all of the participants is your responsibility at all times. The renter of the inflatable(s) hereby releases Jays Jumpin Bounceez LLC from any and all absolute liability. Renter has agreed not to sue or to hold Jays Jumpin Bounceez LLC or any of its employees responsible for any injuries while the equipment is rented out.
